

The Pacific Coast Chapter of the Undersea and Hyperbaric Medical Society is having its yearly meeting November 2nd and 3rd at Catalina Island. The venue is the Catalina Resort and Spa and the event is the UHMS meeting. Reservations can be made at www.catalina.com/canyon.html

This educational conference will have nationally known speakers presenting topics on hyperbaric medicine on November 2nd and November 3rd is dedicated to Diver Day presentations of interest to sport, professional, scuba and free divers as well as the hyperbaric medical community. The meeting syllabus and list of speakers will be posted on the chapter web site at www.pacificuhms.org.

In addition after the conference arrangements have been made with ScubaLuv dive shop and the King Neptune Dive Boat for a night dive after the Saturday conference and there will be a 2 tank boat dive Sunday morning November 4th. The King Neptune will head up the coast for the dives and the surface interval time between the 2 dives will be spent docked at the Isthmus with a visit and presentation by Karl Huggins at the Catalina Island Hyperbaric Chamber. To reserve space on the Saturday night dive and/or the Sunday morning dives please contact ScubaLuv Dive Shop at www.scubaluv.biz and mention the UHMS meeting group.

Please visit our web site for further details and/or to register for the event. www.pacificuhms.org or contact me for any questions or additional information.

Looking forward to seeing you there. Don't miss this educational conference at one of the most picturesque locations on the west coast and this opportunity to share the wonders of California diving.

Ralph Potkin, MD
President Pacific Coast Chapter Undersea and Hyperbaric Medical Society.
