

Diving & Hyperbaric Medicine Conference

September 10 & 11 in San Diego, California

30th ANNUAL MEETING PACIFIC COAST CHAPTER UNDERSEA AND HYPERBARIC MEDICAL SOCIETY

Friday, September 10: The hyperbaric medicine scientific symposium will provide an update about current knowledge of mechanisms of action and clinical applications. Presentations will include new research topics and reviews of clinical hyperbaric and underwater medicine.

Saturday, September 11: Diver's Day presentations, will cover diving safety and medical care for the scuba diver. Presentations during this session will be of interest to hyperbaric professionals and members of the commercial, scientific and recreational diving communities. Topics will include fitness to dive, recognition and treatment of dysbaric disorders, and other important information.

The conference site is the San Diego Marriott Mission Valley

The NBDHMT exam will be offered on the evening of Thursday, September 9.

Medical and Diving professionals are eligible for continuing education credits. Final CME approval is pending.
